This is in response to the communication filed July 26, 2004 (certificate of mailing July 21, 2004). This paper is being treated as a renewed petition to revive under § 1.137(b).

The petition is **GRANTED**.

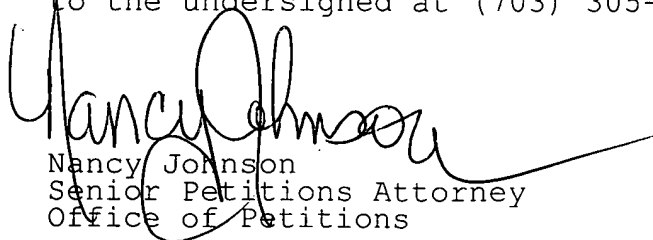

The above-identified application was abandoned for failure to timely file a proper reply to the final Office action mailed September 5, 2003. The initial petition was filed on April 9, 2004. By decision mailed May 21, 2004, the petition was dismissed for failure to submit the required reply.

With the instant renewed petition, applicant submitted a request for continued examination (RCE), including an amendment as the submission under § 1.114. Petitioner has now met all requirements for a grantable petition to revive.

As requested, the overpayment of \$60 will be refunded. The refund is being processed separately by the Office of Finance.

The application is being forwarded to Technology Center 2673 for consideration by the examiner of the RCE.

Telephone inquiries concerning this decision should be directed to the undersigned at (703) 305-0309.
